

IMAGES OF HEROES NEEDED

In an effort to preserve the legacy of veterans from Clark County, we are inviting the community to assist the Veterans Memorial Park redevelopment. This new park enhancement will feature monuments telling the stories of local veterans through images. Four sections of the park will focus on each century of conflicts through America's history from the Revolutionary War to the War on Terror. These images will be selected by a committee of local community members. The committee is requesting family and friends share personal veteran stories and images (must have image ownership rights). Images will be used in future Veteran Park exhibits or by the Clark County Historical Society. If you have a picture or image related to a veteran who was a resident of Clark County at any point of their life, please send the completed forms to National Trail. All submissions will be preserved at the Clark County Historical Society. It will also be added to the park archives and future Veterans Park exhibits.
